Form 990, Part VI, Line 11b - Organization's Process to Review Form 990

The full Board has delegated approval of the 990 to the Finance Committee.

The full Board sees the 990, but generally after it has been filed. We include it in the Board Packet for the next scheduled board meeting.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

During orientation, all Board Members review the Conflict of Interest Policy. All are required to sign a document indicating that they have read and understand the policy, and that they must disclose any actual or potential conflicts in writing. The document is updated annually. Directors and Officers are required to protect the interests of the MS Center, and to inform the Board of any matters or affiliations that may create actual or apparent conflicts. Further, they are required to refrain from using their position or information they receive by reason of serving the MS Center for private gain or for the benefit of a third party, even if the third party is another nonprofit organization. Directors and Officers are required to complete a form to identify their affiliations, so that the board is informed and can discuss and handle potential conflicts before they arise. Directors must also review and understand the Fiduciary Responsibility Statement. Along with the Affiliations Form, this should help to identify potential conflicts that might otherwise increase personal liability for the Directors and Officers, and possibly overall liability of the MS Center. Identifying conflicts may also help ensure compliance with Antitrust laws. Upon disclosure of a possible conflict of interest, a determination shall be made by the Board as to the participation of the
